Dear Nonprofit Executive:

Happy New Year! The Nonprofit Sector Resource Institute of New Jersey, a project of the Center for Public Service, is proud to continue its role as a valuable resource for nonprofits in New Jersey. Through breakfast meetings and seminars, the *Nonprofit Connection: Bridging Practice and Research* newsletter, and the Student Community Assistance Program, the Institute is reaching out to and assisting thousands of nonprofits.

There are many exciting activities happening at Seton Hall University and around the State that are designed to give nonprofit managers – like yourself – access to the latest nonprofit information and opportunities to network with other nonprofit leaders. Below are a list that we have put together for you of Winter and Spring 1997 meetings and seminars.

The staff at the Institute is here to answer your questions and provide you with opportunities to enhance your organization's ability to serve the community. Please call us at (201) 761-9734 if you have any questions or need additional information.

Sincerely,

Roseanne Mirabella, Ph.D.
Director
